## American Poker

The classic game of Poker is played with a deck of [52 cards and a joker](#).

You can request two deals. It is possible to discard and request a second deal for the price of the bet.

You can [double all the prizes](#), you have to choose between red and black for the double or [nothing game](#), or choose the suit for the quadruple or nothing game.

The double or nothing cap is limited, but whenever you reach the limit you will have an extra prize: [MAX WIN](#).

## Mini Bonuses

This prize is not obtained with a partner. When you get a high pair hand, your bet will be added to the mini bonus, which will be paid when you reach the limit.

## Dragon Bonus

This game has three reels and three rows where you can play 5 fixed pay lines.

A payout is won if there are 3 identical symbols on the payline or 3 scattered sushi symbols appear on the reels. After the first spin, it is possible to retain all the reels.

**DORAYAKIS BONUS:** With 3 DORAYAKIS on the payline, all wins are doubled for the next 10 games.

**SUSHI BONUS:** With 3 Sushis on the reels, you can win up to 6 free games where a prize is generated after each spin.

**MYSTERY BONUS:** You can win with three dragons on the pay line.

You can double all prizes by choosing red or black in a double or nothing system.

## Souls Of Egypt

This game has 5 reels where you can play with up to 20 pay lines.

Choose between 1 – 5 – 10 – 15 or 20 lines, and bet from 1 to the maximum possible per line.

All winning combinations are from left to right. Within the payline, combinations can start on any reel and can be non-consecutive.

**QUEEN BONUS:** It is obtained with 3 or more **QUEEN** symbols from left to right. On the first 3 reels you receive a special prize.

**DICE BONUS:** With 3 or more sarcophagi, you will get from 2 to 12 double prize spins.

**LABYRINTH BONUS:** With 5 golden masks in the line, you will enter the pyramid to explore its labyrinth and you can win prizes.

**OBELISK BONUS:** With 5 Pharaohs, you will have the opportunity to get a prize.

If you have a prize, you can agree to double it. [Take your pick in a double or nothing game.](#)

## Magic Roulette

This is the classic game of roulette, the game consists of guessing which number the ball will land on.

Before spinning the cylinder you must place a bet.

Select a chip value and place it on the table to place your bet, you can bet up to the maximum bet.

It is possible to [win up to 36 times the bet placed](#).

Press play to spin the wheel.

You can delete the bet by pressing the delete button.

You can repeat the same bet by pressing the play button.

## Fortuna Bingo

In this game, you can play with a bingo card of 80 numbers in which you can mark a minimum of 3 and a maximum of 8 opportunities.

The game draws 20 balls at random, if you select more than 3 numbers and get 3 or more hits, the game draws 2 extra balls. Which further increases your chances of winning.

## Fruit Poker

It's not your typical poker game. It is played with 134 cards with fruits and a joker.

The game pays for 3, 4 or 5 of the same cards in a hand.

You can request two discards. It is possible to keep some of the cards dealt the first time and request a second draw for the price of the bet.

**CHERRY BONUS:** If you have two cherry symbols in your hand, the bet will be added to the bonus meter and will be paid when it reaches a limit.

**FRUIT BONUS:** When you get 4 of the same fruit (no joker) the corresponding fruit is colored in the fruit bonus sale. When you get 4 fruits in the fruit bonus window, you win the prize.

You can see during the game how many cards are left in the deck.

If you have a prize, you can agree to double it. Take your pick in a double or nothing game.

## Poker Five

The classic poker game with [a deck of 52 cards](#).

There is no wild card, therefore [re poker](#) does not exist in this game.

You can [request two deals](#). It is possible to discard and request a second distribution at no additional cost.

You can [double all the prizes](#), you have to choose between one of the 4 cards. If your card is higher than the one drawn, you will get a prize.
